

# Religions in Europe, 1560

INTERACTIVE

| Dominant Religion |                                                    |
|-------------------|----------------------------------------------------|
| Roman Catholic    | Eastern Orthodox                                   |
| Lutheran          | Islam                                              |
| Anglican          | Mixture of Calvinist, Lutheran, and Roman Catholic |
| Calvinist         |                                                    |
| Minority Religion |                                                    |
| Roman Catholic    | Islam                                              |
| Lutheran          | Anabaptist                                         |
| Calvinist         |                                                    |

**GEOGRAPHY SKILLBUILDER: Interpreting Maps**

- Region** Which European countries became mostly Protestant and which remained mostly Roman Catholic?
- Location** Judging from the way the religions were distributed, where would you expect religious conflicts to take place? Explain.
